Prime Time

THE ANCHOR

THE NATION DEMANDS

Brands a cluster "anti-national". They freeze for 8 s.

↩ The clip goes viral. +30% roaches from all six roads.

"The nation wants to know why these cockroaches won't let me finish my sentence!"

Chanakya

THE HOME OFFICE

MASTERSTROKE

Three barricades, one denotified lawn, and the leader detained at the airport. All in one tap.

↩ Jail Bharo: they board the bus themselves. When it's full, no more detentions.

"Masterstroke. We have barricaded the barricades."

Pradhan Sevak

THE TOP OFFICE

MANN KI BAAT

A 20-second address to the nation. Every crowd on the lawns stops to listen.

↩ Except the roaches. It wasn't about them, so they keep walking.

"Today, let us talk about millets."
